SERENISSIMO PRINCIPI AC DOMINO D. MAXIMILIANO D. G. ARCHIDUCI AUSTRIÆ, &c. DVCI BVRGVNDIÆ, &c. ADMINISTRATORI MAGNI MAGISTRATVS In Prussia, Tevtonici ordinis Præfecto per Germaniam & Italiam, Comiti Tyrolis, &c. Domino suo clementissimo.

Omnia Fortunata.

MAgna ad Magnum Principem mitto. Quid enim majus symbolis partim Diuinis, partim Humanis, & quidem eorum hominum: quos Deus sibi in orbis terræ imperio subrogauit? aut majus Maiestate Austria: quæ inter terræ Principes una diutissimé & felicissimé imperium Romanum gubernauit? Accipe igitur Magnanime Princeps munus tua grāditate non indignum & fortunæ ac virtuti tuæ omnino congruum. Nam quod studium licentia nimia peruulgatum est; id quodam tempore solis Regibus ac Monarchis fuit usurpatum. Serenitas Vestra bene in Christo, beateq; valeat. Pragæ, Anno Christi seculari R. Sept.

EN TIBI IAM IN CONSPECTV SVNT, quæ abdita in Muſæo Stradij, veluti in tenebris erant. Vtere fruere, non contemplare modò. Nam ſi paullò penitius introſpexeris; videbis, non tàm oculos quam animum paſci, quod magnis illis viris propoſitum eſt: qui arguta breuitate, ingentia volumina ſuperant: & ut ſol exiguo quandoq; radio ſpecum colluſtrat, pateat licet longe ac latè; ita animum totum corripiunt, ac fugatis errorum tenebris, vera pietate, ſolida virtute imbuunt. Diſtinguere neceſſarium non eſt, quæ diſcrimina in proſcenio cernis. Et ex ipſo illo indice ſatis apparet, non è trivio lecta, quæ abs Antiquario Cæſare, magno ſtudio, induſtria, & opere collecta. Igitur non commendo tibi, quæ prima facie arrident tibi: & per oculos mentem ſincero amore ſubeunt, placere enim non poſſunt non animis ingenuis ſuapte natura. Ego verò quid accendam te amore eius, cuius deſiderio video te conflagrare? Quamobrem vale, & (uti dicebam) fruere munere, cuius utilitas cum voluptate certat. Si te gratum ſenſero, maiora non, ſed alia atq; alia meditabor.

OVER 350 EMBLEMATIC COPPERPLATES

178 SADELER, EGIDIUS. Symbola Divina & Humana: Pontificum, Imperatorum, Regum. Splendid engraved title; dedication; preface; and 60 copperplates, all but two displaying 6 circular devices. Small folio, full early mottled calf gilt; joints cracked. Praga, 1600

The rare first series of Sadeler's plates, issued the year before their use to illustrate Jacobus Typotius's text under the same title.

No. 11 | *Praz (page 518) refers to this edition, calling for a portrait of Octavius de Strada (the collector), and 61 plates—this last is probably an error, as the last two medallions on plate 60 are unfilled.*

Early armorial bookplate of Sir Robert Wilmont of Osmaston, Derbyshire.

Binding slightly rubbed, but a far better copy than any we have recently had.

JAILLOT'S SPLENDID EDITION OF THE ATLAS NOUVEAU

180 SANSON, NICOLAS. Atlas Nouveau, contenant Toutes les Parties du Monde. Extra illuminated title and plate-list; 16 pages of text; plus 103 leaves as called for in the plate list, expanded with 8 additional plates. The work comprises 64 magnificent double-folio and folding copperplate maps, all fully hand-colored and many with splendid cartouches, after the cartographic work of Sanson. The other leaves contain fully colored chronological charts and tables. Atlas folio (24½x18½ inches), ¼ leather, cover loose; some minor staining on a few plates. PHILLIPS 514. Paris: Jaillot 1692

A HIGHPOINT IN FRENCH CARTOGRAPHY. *Nicolas Sanson and his two sons developed a French school of mapmaking that was less ornate than their Dutch contemporaries, but beautifully executed and respected. Their successor, Alexis Hubert Jaillot, first published his Atlas Nouveau in 1681. The venture was exceedingly popular, with editions being issued into the 18th century.*
